Notes to Editors

1. In calculating the awards, Lipper considered all those funds registered for sale in Singapore, classifying both offshore and domestic funds together. Awards were given to funds with a 3, 5 and 10 year history as at the end of the evaluation year in equity, bond and mixed-asset Lipper Global Classifications with at least five distinct portfolios. Both group and fund awards were calculated using Lipper's Consistent Return score. A more detailed Fund Awards Methodology can be found at excellence.thomsonreuters.com/lipper.
